VI. ACTION ITEMS

a. Discussion and Possible Approval of Consulting Service Agreement Extension for 2019 with Mr. Hugh Wood

Mr. Brady reported that in July 2018, the SAWA Board authorized a consulting services agreement with Mr. Hugh Wood to provide transitional assistance to the newly appointed Executive Director. During 2018, approximately \$14,000 of the \$20,000 contract amount was expended. For 2019, additional assistance by Mr. Wood is sought to, among other priorities, develop historical background information and perspectives necessary to support regulatory approval for SAWA’s ILF process. Mr. Brady seeks to extend, for 2019; a consulting services agreement with Mr. Hugh Wood. Director Russell reported that RCRCD would like to offer its services for free to assist SAWA with the ILF process.

Director Parkes moved to approve the consulting services agreement with Mr. Wood for an amount not to exceed \$20,000 and have Executive Director Mr. Brady execute the agreement. Director Mills seconded and the motion passed unanimously, 4-0

b. Discussion and Possible Approval for SAWA to Implement a Habitat Enhancement Mitigation Plan for Southern California Edison

Mr. Brady reported that the Phase I of SCE’s Valley-Ivy Glen Sub-transmission Line (VIG) Project would provide supplementary electrical services to the City of Lake Elsinore and other local areas within southwestern Riverside County, California. The VIG Project consists of the construction, operation and maintenance of a new 25-mile sub-transmission line. The purpose of this Habitat Enhancement Mitigation Plan (HEMP) is to comply with the habitat enhancement and revegetation requirements for Southern California Edison’s (SCE) Phase I VIG Project as described by the Western Riverside Multiple Species Habitat Management Plan (WR MSHCP) Certificate of inclusion for Phase I VIG Project. The plan describes the enhancement and revegetation methods to be implemented to compensate for impacts generated from Phase I VIG Project. Mr. Brady requests that the Board ratify SAWA’s acceptance of SCE’s deposit of approximately \$153,000 for SAWA to implement Phase I VIG Project Habitat Enhancement Mitigation Plan over a 5-Year period. Mr. Brady reported that revenue and costs for 2019 of approximately \$45,000 are reflected in the 2019 budget.

Director Mills moved to approve acceptance of the SCE deposit for SAWA to implement Phase I VIG Project Habitat Enhancement Mitigation Plan over 5 years. Director Russell seconded and the motion passed unanimously, 4-0

c. Discussion and Possible Approval for SAWA Staff to Employ Contractors Coincident With the Removal of Arundo Upstream of River Road

Mr. Brady reported that SAWA has scheduled, starting in the first quarter of 2019, the removal of 10.24 acres of arundo on OCWD property behind Prado Dam using unassigned mitigation funds. The total project is budgeted at approximately \$108,000. To meet schedule, supplemental contractor labor and equipment will be necessary. Mr. Brady request Board approval to hire supplemental contractors, not to exceed \$60,000, to remove 10.24 acres of arundo on OCWD property upstream of River Road. The revenue and costs are reflected in the 2019 budget.

Director Parkes moved to approve SAWA to employ supplemental contractors with an amount not to exceed \$60,000 the removal of 10.24 acres of arundo upstream of River Road. Director Russell seconded and the motion pass unanimously, 4-0
